SHARP

Scottish Heart & Arterial disease Risk Prevention

MEMBERSHIP APPLLICATION FORM

Welcome to SHARP (Scottish Heart and Arterial Disease Risk Prevention). SHARP is a registered Scottish charity which was founded in 1988 by clinical staff to tackle the problem of premature illness and death due to cardiovascular disease in Scotland. Our activities include education, raising awareness of arterial disease and its management as well as clinical research. More information about SHARP can be found online at www.sharpscotland.org.uk

Your annual membership fee of £20.00 will help us provide high quality meetings which we hope you will also be able to benefit from. You will also receive a reduction in the registration fee to the SHARP Annual Scientific Meeting in November.
