

SHARP 2020 Virtual Annual Scientific Meeting

19th November 2020, 14:00-17:00 (GMT)

Heart Failure – the creeping pandemic

PROGRAMME

Session One

Heart Failure with reduced Ejection Fraction (HFrEF)

- 14.00 **Chairman's Introduction**
Professor Adrian Brady, Honorary Professor
University of Glasgow & Consultant Cardiologist, Royal Infirmary Glasgow
- 14.05 **Opening Keynote Lecture: A creeping pandemic**
Professor José Luis Zamorano, Vice President, European Society of Cardiology &
Head of Cardiology, Hospital Ramón y Cajal, Madrid
- 14.30 **Emerging new drug and device therapies in heart failure**
Professor Mark Petrie, Professor/Honorary Consultant
Institute of Cardiovascular & Medical Sciences, University of Glasgow
- 14.55 **Recent advances in heart failure treatment**
Professor John McMurray, Professor of Cardiology
Institute of Cardiovascular & Medical Sciences, University of Glasgow
- 15.20 **Comfort Break**

Session Two

Heart Failure with preserved Ejection Fraction (HFpEF)

- 15.25 **Recent advances in drug therapy by HFpEF**
Professor Scott Solomon, Professor of Medicine
Harvard Medical School, Brigham & Women's Hospital, Boston
- 15.50 **The role and treatment of atrial fibrillation in HFpEF**
Professor Richard Schilling, Consultant Cardiologist, Barts Heart Centre, London
- 16.15 **Living with heart failure and the journey of care**
Dr Karen Hogg, Consultant Cardiologist, Glasgow
- 16.40 **Announcement of the SHARP Prizes**
- 16.45 **Chairman's Closing Remarks**
- 16.50 **Close of Meeting**
